Em G D C9
Hello, it's me
Em G
I was wondering if after all
D C9
These years you'd like to meet
Em G D C9
To go over everything
Em
They say that time's
G
Supposed to heal ya
D C9
But I ain't done much healing

Em G D C9
Hello, can you hear me?
Em G
I'm in California dreaming about
D C9
Who we used to be

When we were younger and free
Em G
I've forgotten how it felt before
D C
The world fell at our feet

G D
There's such a difference
Bm C9
Between us
Em D C9
And a million miles

Em C9 G D
Hello from the other side
Em C9 G D
I must've called a thousand times
Em C9
To tell you I'm sorry
G D
For everything that I've done
Em C9
But when I call you never
G D
Seem to be home

Em C9 G D
Hello from the outside
Em C9 G D
At least I can say that I've tried
Em C9
To tell you I'm sorry
G D
For breaking your heart
Em C9
But it don't matter, it clearly
G D
Doesn't tear you apart anymore

I hope that you're well

Did you ever make it out of that town
D C9
Where nothing ever happened?

It's no secret

That the both of us
Em D C9
Are running out of time
